SUBJECT: 1. SKILL DEVELOPMENT / TRAINING PROGRAMMES FOR CRAFTSMEN / ARTISANS / NEW ENTREPRENEURS / SKILLED WORKERS WORKING WITH HANDICRAFT EXPORTERS.
2. CUSTOMIZED TRAINING FOR HANDICRAFT EXPORTERS.

Sir,

To compete in the world markets especially with the SE Asian competitors it has now become necessary to provide customized integrated and inclusive training at the important handicraft clusters. The enhancement and up-gradation of the existing skills of the craft persons / skilled workers as well as the handicraft exporters / manufacturers is a need of hour.

NCDPD has taken up an aggressive programme for Capacity & Skill Development of Artisans / Craftsmen, Manufacturers & Exporters in major craft clusters by providing training to upgrade the existing skills and adding the additional inputs in design and products development as per the market needs, trends and Forecasts. Initially these programmes shall be organized at Agra, Firozabad, Saharanpur, Jaipur, Jodhpur and New Delhi / Khurja on regular basis from last week of September / 1st week of October, 2009. The course module is for 5 days (Monday to Friday) consisting 20 trainees per programme. The programmes shall be on continuous basis upto March, 2010.

A brochure containing the desired information is also attached for kind information. Further, as per the need special customized training programmes can be developed and imparted in your factory premises as per need.

It is requested to kindly participate in these programmes which have been developed as per your needs. A suitable wage compensation provision has also been kept so the livelihood is not affected. Please fill up the enclosed proforma for registration. For any query please email at info@ncdpd.com or visit our website www.ncdpd.com.

Kind regards,

Yours sincerely,
